

KIT-KE-HAK-O-KUT

ORDER OF THE ARROW

Scouts and Scouters,

I would like to take this opportunity to congratulate you on your nomination to be a member of our Order. I believe that your nomination, confirmed by your peers, speaks volumes about your character and integrity. They selected you because they felt that you best exemplify the Scout Oath and Law, and that ability is worth admiration.

But remember that this does not make you a member of the Order of the Arrow. To become a member, you must attend an induction weekend at some point over the year. This year, we will offer three opportunities to become a member:

May 13-15 at Camp Cedars

August 12-14 at Little Sioux Scout Ranch

October 7-9 at Camp Eagle

While you are only required to attend one of these weekends to become a member, we encourage you to attend as many of our lodge events that you can. I would also recommend attending these events as early as possible, so that you don't miss out on this exciting opportunity.

When you attend these weekends, you should bring: a ground cloth, rain gear, a sleeping bag, a water bottle, work gloves, work clothes, and your scout uniform. Also bring a tent for Saturday night. Please plan on arriving after 6 PM but before 8 PM. Also plan on staying through Sunday morning, as it is critical to getting the full experience of our Order.

But as I mentioned, being nominated to become a member of the Order of the Arrow is a great honor. Your peers believe that you embody these characteristics, and that alone is commendable.

Yours in scouting and brotherhood,

Grady Wiedeman
